Here We Are: Notes for Planet Earth by Oliver Jeffers

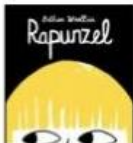

To start the new school year, we are teaching a 2 week long, whole school unit of work for Early Years through to Year 6. We want to encourage a sense of community across the entire school, to reflect on the last few months, and also help our whole school look forward to the future in a positive way. At the end of the unit we have planned an activity where pupils and staff can share their own notes for living on Planet Earth, supporting everyone to move forward positively.
