

# Science Curriculum Overview 2020-2021

	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
<b>Year 1</b>	Environmental	Nature and field journals – observations over time of seasonal	Animals	Materials	Plants	Ourselves
<b>Year 2</b>	How can we look after planet Earth?	Animals including Humans	Living Things & their habitats	Plants	Materials	
<b>Year 3</b>	Rocks (Chemistry; skill: data handling)		Living Things and Evolution (biology; skill: planning)		Light, Earth and Space (physics; skill: evaluation)	
<b>Year 4</b>	Rocks (Chemistry; skill: data handling)		Living Things and Evolution (biology; skill: planning)		Light, Earth and Space (physics; skill: evaluation)	
<b>Year 5</b>	Rocks (Chemistry; skill: data handling)		Living Things and Evolution (biology; skill: planning)		Light, Earth and Space (physics; skill: evaluation)	
<b>Year 6</b>	Rocks (Chemistry; skill: data handling)		Living Things and Evolution (biology; skill: planning)		Light, Earth and Space (physics; skill: evaluation)
