KS2 LUNCH TIMES:

We would like to update you with our recent Key Stage 2 lunch time changes. After listening to the children and looking at our systems, we wanted to make the small outdoor space we have a happier, safer place for all. Thanks to generous donations, we have funded extra classroom games and activities which children can use. This reduces the number of children on the yard at any one time. There is also the option of taking part in the school choir and ICT sessions on various days. We are currently testing this new arrangement to see how it works. We hope that this is a positive change. In the Spring term we intend to introduce a forest school and sensory garden. This is dependant upon successful grant applications.

YEAR 7 ADMISSIONS REMINDER:

A reminder about the upcoming application deadline of **31st October** for Year 6 children who will be starting Year 7 in secondary school in September 2024.

If you haven't already done so, please apply here: <https://liverpool.gov.uk/schools-and-learning/school-admissions/how-to-apply/>

PTFA UPDATE:

A reminder that the Black History Month Fundraiser is taking place tonight from 6-8pm at school and that the sponsored 10k run is taking place tomorrow in Sefton Park at 9.00am.

The final day for donations for cash for kids is on Monday. The Raffle draw will be taking place on this date too so make sure you purchase your tickets before then! Any last minute donations are welcome here:

Also, can we say a massive thank you to the PTFA and all the staff and children who attended the school disco last night. It was a lovely event that raised vital funds for school.

CROSS COUNTRY:

Race 3 took place on Monday at Clarke's Gardens which saw brilliant running from our girls and boys teams. Well done to you all, we love your enthusiasm for running!

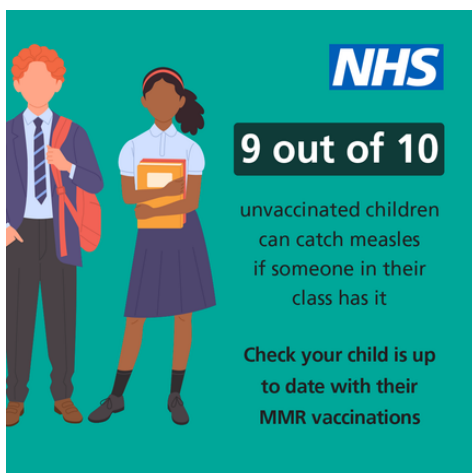

Cross country will be back in the spring term.

In the meantime, keep running... Junior Parkrun is on every Sunday in the Mystery Park at 9am.

RECYCLING WORKSHOP:

This week, for UK Recycling Week 2023, the LFC Foundation, supported by LFC club partner SC Johnson, visited schools across the city to educate over 1,400 young people about recycling. Pupils learned about 'missed capture' - discussing what can and can't be recycled at home, and addressing a number of recycling misconceptions. We want all young people to be recycling champions at home, so please continue to discuss this issue at home with all of your friends and families! Happy UK Recycling Week 2023! ♻️

SCHOOL IMMUNISATIONS TEAM:

The School Health team will be administering flu spray/immunisations on **Monday 13th November 2023**.

Please make sure you have completed the online form here: <https://econsent.merseycare.nhs.uk/> or the paper version available in the office indicating whether or not you would like your child to receive this on that day.
