BLACK HISTORY MONTH:

To celebrate Black History Month this October, the children have been creating projects at home to share in school. They have created some fantastic, creative projects celebrating black women throughout history. They have had the opportunity to share these in class with their friends and during assembly time. This Friday, we set up an exhibition for all of the children across the school to visit and look at the wonderful projects that have been created. Well done everyone and thank you to Miss Coogan for organising.

Create your own oasis of calm, find new ways to build resilience, and marvel at the underwater wonders in the World Museum's atmospheric aquarium! You'll be guided step-by-step through a series of writing for wellbeing activities by WriteWell tutor Kate McBarron.
