Here is the latest edition of the Liverpool Parenting Newsletter for you to read:

[Liverpool Parenting Letter Link](#)

You will find new information to support parents/carers, families and children in Liverpool during the month of December, along with information regarding events and activities on offer.

## Digit Day - 24th November 2023

Thank you to thank all parents and children for their support on the day, the children looked very impressive in their outfits and enjoyed taking part in specially planned maths activities on the Friday afternoon. We had 'Times Tables Rock Star' battles, maths board games being created, decorating biscuits with number bonds and lots, lots more.

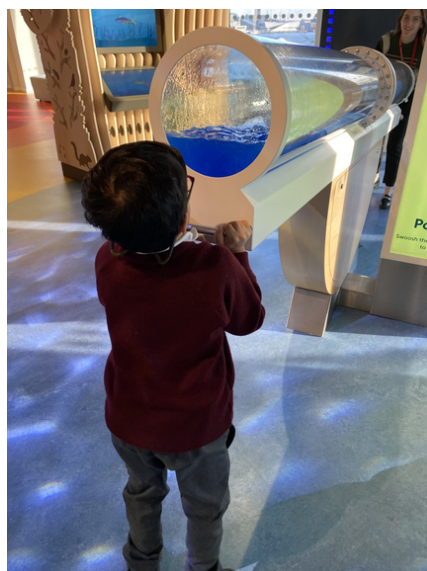

A special thank you to all the year 4 parents who came in for the Multiplication Tables Check workshops, it looked like they had lots of fun playing Times Table games with their children. Some feedback from parents who attended was as follows:  
'Excellent workshop. Informative and engaging. I really like the different games to get the children interested in maths.'  
'Great ideas on how to make multiplication fun. The games in class were lovely and much needed for a process which could be very difficult to inspire the kids with.'

## Year 4 Eureka Trip

Year 4 visited Eureka! Science and Discovery museum this week as part of their Science topic "Animals including Humans". During their time there, they explored the museum's Home, Nature and Bodies galleries as well as watching a show called "From Chew to the Poo", which was all about how we digest our food!

## Well done to 4P

As part of the PTFA's fundraising efforts we had a 5p challenge for each class. The class that collected the most 5p's in their bottle were awarded a class treat. The winning class was 4P, and today they got to enjoy pizza delivered to their class.

Well done 4P!

### Week commencing 27th November :
