CLASS ASSEMBLIES:

Class 5O presented their assembly today. The children shared their Geography learning on earthquakes. They talked about why earthquakes happen, how they are measured and how people live with earthquakes.

Then, they did a Kahoot quiz with parents.

Thank you to all those who were able to come along and watch.

Well done 5O!

Upcoming class assembly dates:

5W (26.1.24) 9.15 – 9.45am

6G (2.2.24) 9.15 – 9.45am

6L (9.2.24) 9.15 – 9.45am

4C (1.3.24) 9.15 – 9.45am

4P (8.3.24) 9.15 – 9.45am

Dates will follow for other classes

We look forward to seeing as many parents and carers that are able to attend your child's class assembly.

Please enter school via the main office.

SNOW DAY:

Snow always causes some disruption to the day, but we do all we can to make sure school remains open. We also make sure we make the most and enjoy it while it lasts!

CHET 2024:

Our CHET Residential is coming to a close today but it looks like the children who went have had a lovely time in the great outdoors!

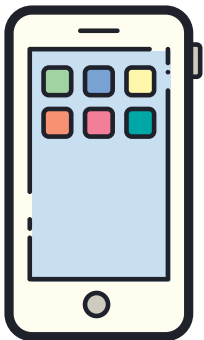

They have negotiated a fabulous course of obstacles to increase confidence and self esteem, learnt archery, orienteering, learnt climbing skills on their brand new purpose built climbing wall and enjoyed 'movement and mindfulness' to name a few. There's likely to be some catching up of sleep taking place this weekend!

We were delighted to welcome LFC to our Key Stage 2 assembly today which focused on Racism and Allyship.

Mobile Phones

Please note that children are not permitted to bring mobile phones and devices (including smart watches) to school. Children should not bring any expensive items to school and items with cameras are not permitted. Occasionally, for safety reasons only, a Year 6 child may need to bring a mobile phone if they travel to and from school alone. Parents should write to their child's class teacher/school office to inform school that this will be necessary. Mobile phones brought into school for this purpose, will be stored securely in the school office throughout the school day and collected by your child at the end of the day.

Safer Internet Day

Safer Internet Day 2024 will take place on the **6th of February 2024**, based around the theme 'Inspiring change, making a difference, managing influence and navigating change online'.

Safer Internet Day is the UK's biggest celebration of online safety. Each year there is a different theme, this year Safer Internet Day will be focusing on change online, this includes covering:

- Young people's perspective on new and emerging technology
- Using the internet to make change for the better
- The changes young people want to see online
- The things that can influence and change the way young people think, feel and act online and offline
