Whole School Attendance: 95%

We have a new Education Welfare Officer (EWO) from the Local Authority, who is now attending school on a weekly basis to monitor whole school attendance. We are working hard to establish any further ways we can support parents/carers in improving their child's attendance and punctuality. Please contact us if you feel we can help in any way.

CLASS ASSEMBLIES:

5W delivered their assembly today around the book 'FARThER' by Grahame Baker-Smith. They retold the story and shared poems, setting descriptions and letters they had written that had been inspired by the book. They also shared pictures and stories of their favourite things to do with their families.

Upcoming class assembly dates:

6G (2.2.24) 9.15 – 9.45am

6L (9.2.24) 9.15 – 9.45am

4C (1.3.24) 9.15 – 9.45am

4P (8.3.24) 9.15 – 9.45am

Dates will follow for other classes

Thanks to Toxteth Community Fire Station who visited our Reception classes on Thursday linked to our work on heroes. The children loved having you come to our school.

The Nursery staff would like to ask if there are any of our parents/carers who are dentists or who work at a dentist surgery - if they would be willing to come in to school and take a small session with our Nursery children after half term. If so, please contact them directly or via the school office.

Plans are under way to stage Liverpool's biggest-ever Lunar New Year celebrations, not only to welcome in the Year of the Dragon, but also to celebrate the 25th anniversary of the city's twinning with Shanghai.

Taking place from **Friday 9 to Sunday 11 February**, for the first time the FREE activities will not only take over the Chinatown area, but they will also bring a festival of colour and sound to the Bombed Out Church (St Luke's), Liverpool ONE and the Royal Albert Dock Liverpool.

Latin American Music Workshops

Led by highly experienced Latin American musicians, learn about traditional instruments, and Andean and Latin American rhythms. Throughout these workshops you will develop an understanding of timing, melody, and theory.

Come and join us, and let's make music!
