**Collection** - Children **MUST** be collected promptly from Arlington Avenue playground entrance at the end of their club. If your child is being collected consistently late without prior arrangement this may jeopardise their place on the club and their place withdrawn. If your child walks home alone, please inform the school office.

**Clothing** - Children engaging in a physical activity can change into appropriate sportswear, but this is not essential. School PE kits are NOT to be worn unless your child has PE on these allocated days.
