We have a new Education Welfare Officer (EWO) from the Local Authority, who is now attending school on a weekly basis to monitor whole school attendance. We are working hard to establish any further ways we can support parents/carers in improving their child's attendance and punctuality. Please contact us if you feel we can help in any way.

Cross Country:

This week saw the return of the Cross Country at Sefton Park.

Well done to all our pupils who took part -fantastic effort and determination.

The next race will be on Thursday at The Mystery at 3.50pm.

Class Assemblies:

4C's Assembly took place this morning.

They shared about what they have been learning from their English text 'Arthur and the Golden Rope.'

The children retold the story and shared their own pieces of writing, there was also a poem written by Jess which was shared.

Well done 4C!

RKR's Assembly took place this afternoon.

They each shared what their favourite book is along with their beautiful book cover artwork. It is evident RKR loves to read and are excited for World Book Day next week. As it was also St David's Day there were some snacks with a Welsh theme shared around. **Thanks to all those parent/carers who could make it for coming along today.**

This year World Book Day falls on **Thursday 7th March**, and as usual, Greenbank will be joining in the celebrations. This year we are asking children to come dressed as their favourite book character. Costumes are not to be expensive, homemade costumes would be wonderful. Children will need to wear appropriate shoes and coats as they will be outdoors during lunchtime and playtime. School would love **our community** to share stories with classes. This could be sharing your favourite children's book, retelling of traditional stories, sharing nonfiction stories or poetry. If you are interested in joining our World Book day celebration, please let your child's class teacher know as soon as possible.

Everton in the Community:

Everton in the Community have also been in to school working across different classes, helping our children to develop inner strength and resilience and grow in their ability to 'keep going' and help to bounce back from difficult situations. They have done this via team sports and games and discussions in the classroom.
