Whole School Attendance: 95%

We have a new Education Welfare Officer (EWO) from the Local Authority, who is now attending school on a weekly basis to monitor whole school attendance. We are working hard to establish any further ways we can support parents/carers in improving their child's attendance and punctuality. Please contact us if you feel we can help in any way.

Reminder—Parent teacher meetings

Wednesday 27th March

By now you should have made an appointment to see your child's class teacher to discuss their progress this year to date.

If you haven't made an appointment, please do.

It is vitally important that parents are clear about how well children are doing and what more can be done to help them achieve their potential.

Please arrange a meeting with your child's class teacher **before**

Wednesday 27th.

A Big Thank you:

Thank you to everyone who took part in Wear Blue for Bobby day. We raised £326! The Bobby Colleran Trust will be incredibly grateful for all the monies raised.

Year 4 Science:

Year 4 have had an incubator in their classroom over the last 3 weeks. This week 7 chickens have hatched. These chickens have now been returned to John where they will grow and hopefully win some shows. 4C enjoyed getting to meet the new visitors to their classroom.
