Class Assemblies:

1C's Assembly took place yesterday afternoon. Their assembly involved sharing the songs they have been learning in their weekly choir sessions. This was their rendition of 'Boomchikkaboom'...

3M's Assembly took place this morning. Their assembly involved telling their families about what they have been learning in Year 3 in all of their subjects. Well done 3M you have learnt alot!

2CRs Assembly took place this afternoon. Their assembly was all about celebrations. They shared what they have been learning about different religious celebrations as well as birthdays and anniversaries.

Once again, thank you to all the parents and carers who could make it along to watch their child's assemblies.

This week our cross country team took part in the Cross Country City Championships. Fantastic effort and determination from all our runners. Special mention to Nancy, Eleanor and Finley who all qualified to run in the City Championships Finals next Monday at The Mystery Park. What a great achievement!

A Famous Musical Visitor:

This week we had ex Status Quo drummer, Jeff Rich join us at school for a very special Key Stage 2 Assembly. The children really enjoyed the interactive session, getting to take part and showcase their own skills. We hope sessions such as this demonstrate how creative talent and personal interest can become the entry point into a creative career.

CREATE A DESIGN FOR A LOCAL PLANTER ON SMITHDOWN ROAD.

Smithdown in Bloom have some planters placed around Smithdown Road but they need a bit of jazzing up. There are 7 planters at the moment with plans for more!

We're looking for some bright, bold, colourful artwork suggestions. We've attached a template so that you can help come up with some ideas. **THESE ARE IN THE SCHOOL OFFICE IF YOU WOULD LIKE TO ENTER.**

HOW TO ENTER...

1. Complete the template for one side and / or one end of a planter, then pass your artwork to your teacher **by Wednesday 27th March.**
2. Remember to make it bold and colourful. It can be anything you like: patterns, animals, nature, music - what would you like to see on them when you walk down Smithdown Road?
3. Smithdown in Bloom's artist Sarah will be judging the final entries at the event at Greenbank School on **Saturday 20th April.** There will be a winner from each of the 3 year age groups (EYFS / KS1 / KS2), with the winner from each group having their design on one side of one planter.

WINNERS

1. If your artwork is chosen it will be replicated by the Smithdown in Bloom artist in real scale on a physical planter on Smithdown Road for everyone to see.
2. You will get a certificate to show for your wonderful work.
